FESTIVAL · NAVARATRI

Ayudha & Saraswati Pooja at Chiranthana

Chiranthana came together to celebrate **Ayudha Pooja and Saraswati Pooja**. Students, parents and our team gathered as the pooja was performed, seeking blessings for **knowledge, skills and new beginnings**.

The day was filled with **devotion, joy and togetherness** — a beautiful reminder of the community that surrounds every learner.

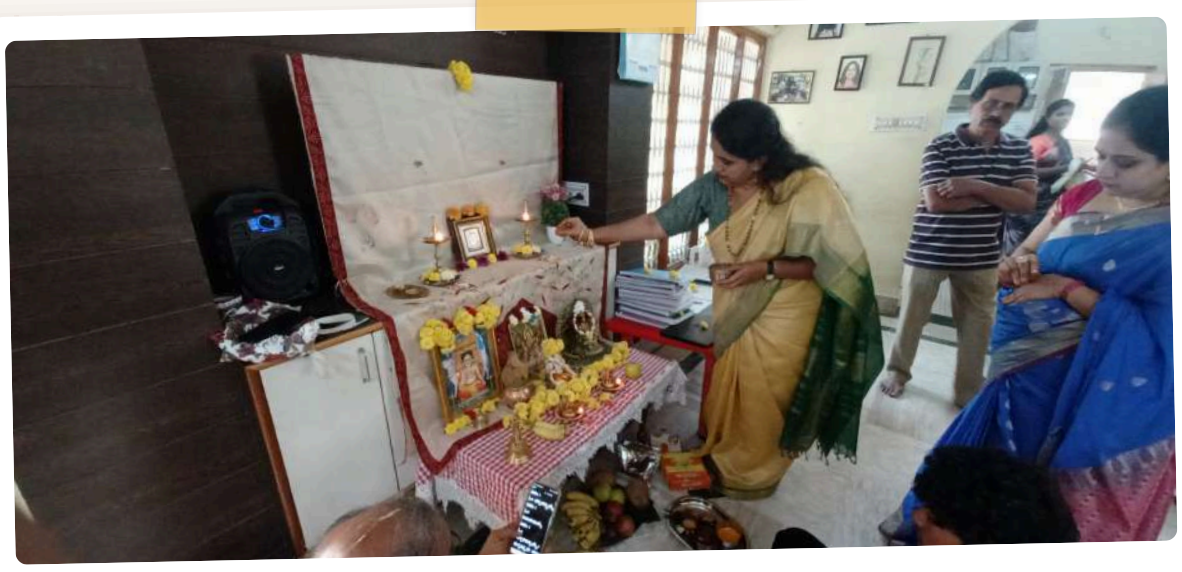

BLESSINGS FOR LEARNING & WORK

Honouring the tools of learning

The altar was decorated with **marigolds, lamps and flowers**. **Books, laptops and training material** from our skill development programmes were placed before the deity for blessings — honouring every skill our students and trainees learn.
