

NEWS LETTER

JULY 2026

July 8th 2026 - A Day of Joy and New Experiences at Adda 25

July brought a memorable experience for our children as they enjoyed a special outing to Adda 25. The visit provided an opportunity for our students to explore a new environment, socialize, and build confidence through real-world experiences.

Filled with laughter, conversations, and joyful moments, the outing encouraged independence, community participation, and the development of essential life skills beyond the classroom.

At Chiranthana, we believe every experience is a step towards empowering our children to engage with the world with confidence and happiness.

July 25th 2026 - Chiranthana at Euro School: A Step Towards Skill and Inclusion

Chiranthana proudly participated in Euro Skill at Euro School, where our team set up a stall showcasing products and bakery items created through the skills and efforts of our neurodiverse individuals.

The event provided a wonderful platform to showcase their talents, encourage social interaction, and create awareness about inclusive employment opportunities. With the support and encouragement of the Euro School community, our students experienced the joy of presenting their work and engaging with visitors.

Every interaction helped strengthen our belief that skills, opportunities, and acceptance can create a more inclusive world.

We're grateful for the wonderful support shown this July! Thank you for helping us continue our mission of empowering special needs adults through meaningful employment opportunities.
