

NEWSLETTER FEBRUARY 2026

February 6th - IME Jamming Session for Neurodiverse Individuals:

Chiranthana recently organized an energetic and joyful IME Jamming Workshop for our neurodiverse individuals — a session filled with rhythm, connection, and self-expression. Participants explored the vibrant beats of the djembe and other musical instruments, experiencing the power of music as a tool for confidence, coordination, and emotional expression. The room came alive with synchronized rhythms, smiles, and spontaneous creativity. The workshop was not just about music — it was about inclusion, freedom of expression, and celebrating every individual's unique rhythm.

February 14th - Walkathon at Sankey Tank with Rotary International:

Chiranthana, in association with Rotary International, successfully organized a meaningful Walkathon at Sankey Tank to promote inclusion and awareness for neurodiverse individuals. With enthusiastic participation from families, children, volunteers, and Rotary members, the event reflected unity, community spirit, and a shared commitment to empowerment. Together, we walked towards a more inclusive tomorrow.

February 21st - School Day Celebration at Bal Bhavan - Echoes of the Soil:

Chiranthana celebrated its School Day at Bal Bhavan with the theme "Echoes of the Soil," honoring our roots, culture, and connection to the earth. Our children lit up the stage with vibrant dances and heartfelt performances, reflecting tradition, resilience, and inclusion. It was a joyful evening of pride, confidence, and unforgettable memories — truly celebrating the strength and beauty within every child.

February 26th - Block Printing Order Completed for Indian Institute of Science:

We are proud to share that our children successfully completed a special block printing order for the Indian Institute of Science (IISc). With creativity and teamwork, they handcrafted each piece with great care, showcasing their talent and skill. This achievement reflects the power of inclusive livelihoods and real-world vocational exposure — a meaningful step toward confidence, independence, and empowerment.

We're grateful for the wonderful support shown this February! Thank you for helping us continue our mission of empowering special needs adults through meaningful employment opportunities.
