NEW YEAR, NEW HOPES....

IIT Workshop on Product Development

Chiranthana team also attended a workshop on Product development held at IIT Delhi organised by ONGC foundation. from 7th Jan to 11th Jan. The workshop contributed towards a lot of learning for team Chiranthana. We learnt about the generation of product ideas, costing strategies for products, marketing products on e-commerce platforms, packaging the products, value addition to existing products and also adapting and developing products according to user needs. We were able to learn how to identify the best market and customer match. This workshop provided us with an opportunity to experience and learn the nuances involved in Product development.

It's time for Yellu-Bella at Chiranthana

Sankranthi is the festival of harvest. It marks the end of the cold winter months and the onset of spring. At Chiranthana, we celebrated Sankranthi with great fervour by making kites, Hand-block-printed files, distributing sweets made of jaggery, groundnut and sesame seeds and wishing everyone to eat sweet and speaking sweet words. The children enthusiastically came dressed in ethnic wear and danced to the tune of “Sankranthi Bantu”.

Our Founder, Rachana Prasad at Kaushalya Karnataka

Rachana was a part of Kaushalya Karnataka – A stakeholder consultation program for preparation of Karnataka skill policy 2023-2030. She was one of the key members in the policy making and decision making team of all skilling related to the disabilities sector.

Jai Hind - Republic Day Celebration

Chiranthana also celebrated Republic day with a lot of enthusiasm and excitement. Our children sang “ Nanna munna rahi hoon” and performed to “Vande mataram and Kehte hain humko pyar se Indiawale”

The guests for the day were Mrs.Bhagavathy Bhaskar , a senior educator and Asst prof Suman. Our trustee, Mr.Narayanaswamy and Rachana’s Parents were also present for the occasion. A drawing and colouring competition was held and all the children participated in it with a lot of interest. The Children also performed surya namaskara and sang the National Anthem. The Republic day was attended by guests, trustees, parents ,teachers and the children.

Rotary exhibition:

An exhibition was held by Rotary club in association with DNA at their annual meet on 21 and 22nd of January, Chiranthana put up a stall at the event and it was visited by the Rotarians who supported us by buying our products

Ribbon communications:

Chiranthana put up a stall at Ribbon Communication on 24th of Jan 2023. The stall attracted people from various companies at Embassy Tech Square. The employees of Ribbon Communication and other companies on campus bought many products and supported us.

Star of the month

Presenting Melisha the star of the month. She has improved in reading comprehension and computer skills. She has picked up on word processing and is able to finish typing in no time. She has performed well in English and EVS. She has shown considerable improvement in addition, statement problems, and subtraction. Melisha also bagged the first prize in the Drawing competition on Republic Day. She also participated in a Group dance and gave a speech on the importance of Republic Day on 26th January 2023.
