

NEWSLETTER - APRIL 2023

END OF THE ACADEMIC YEAR...

Congratulations Rachana

As a part of International Women's Day, Aarohana presented **Bhagini- Sadhanege Sanmana** award and felicitated our founder and Managing Trustee – Rachana Prasad for her achievements in the field of intellectual disabilities.

Ugadi celebrations at Chiranthana.

We celebrated Ugadi with a lot of festive fervour on 21 st of Mar 2023. A pooja was held to bring in blessings, good luck, and prosperity. A potluck was also organised with the help of parents and all the children and staff had the opportunity to have a delicious meal.

Chiranthana at NID

Chiranthana put up a stall in NID as a part of World Down Syndrome Day celebrations. The students at NID supported us by buying the products. Our students Gagana and Vishruth participated in the inclusive ramp walk that was held at the same venue on 31 st March 2023..

Chiranthana on March 8th – International Women’s Day

We put up a stall at the Ritz Carlton for their employees and saw good sales. We also put up a stall at Element 14 on the same day and saw encouraging sales. We organised an exhibition and sale of our products at Taj.M.G. Road.

Kauseyah Project

Chiranthana Vocational Skill Center at Gubbi executed upcycled denim pouches project. The women at the Gubbi center sourced Denim clothes and embroidered floral motifs and other designs on the Denim fabric. This was part of the retake initiative of Kauseyah.

Vkanasu

Chiranthana has partnered with Vkanasu , a retail unit at Jayanagar for display and sale of Aase products. Products such as tote bags and laptop bags and laptop sleeves are being offered on sale.

What's happening at Chiranthana?

We are making a lot of changes at Chiranthana. We have set up an activity room, we are decorating our premises to welcome the students and also hired new special educators.

Activity room

An activity room has been set up to enable the students at Chiranthana to improve their sensory and cognitive abilities and to provide tactile experiences which will enhance their overall sense of touch and feel.
