

# NEWSLETTER - SEPT 2023

GROWTH IS CONTINUOUS

## *What's new at Chiranthana?*

Chiranthana is providing Employability training for students who have completed their 10th and 12th in collaboration with Specialisterne Enable India solutions. This is an attempt to provide jobs and ensure financial stability in the lives of neuro diverse individuals. Chiranthana is proud of its students who have enrolled for the program and are undergoing the training.

All the best.

**At** the VSC centre in Bengaluru - Our artists are learning to make new products - Kundan Rearrangeable Rangoli . Our vocational skills executive Geetha is training them and the artists have been able to create amazing designs of Kundan Rangoli.

Chiranthana has been shortlisted among the top 10 organisations for the prestigious Hema memorial Awards. A team of APD members visited Chiranthana and conducted the due diligence. The results will be announced shortly.

### ***PTM at Chiranthana***

The 4th, 5th and 7th of September were the days assigned for PTM. The teachers conveyed the performance of the students for the quarter of June – Aug to the parents and also discussed the plan for the next quarter.

Parents meeting and orientation programme was also held at our Gubbi centre on 28-09-2023

## ***Teachers' day Celebrations on 5th September***

Chiranthana celebrated teachers' day with a lot of enthusiasm. Kudos to the teachers, it is a challenging task to be a special educator, one needs to identify and accommodate individual differences, disabilities and special needs. Teachers at Chiranthana have been able to contribute to the holistic development of special children and inculcate values essential for life through various activities.

## ***STEM Lab at Chiranthana***

Chiranthana in association with Vaani Deaf has set up an interactive Smart classroom at our rural centre in Gubbi (Tumkur District). This was made possible through the contribution of STEM labs. Through this initiative our students with hearing impairment as well as other disabilities will be able to access active learning and problem-solving modules and this will help promote collaborative learning and exploratory learning among students as they explore the various activities related to Science, Technology, Engineering and Mathematics.

## ***Training Programme on “Demystifying Sexuality in the context of Disabilities”***

The Educators at Chiranthana- Shubha & Raksha, attended a 20-hour online training programme conducted by Enfold Proactive health trust on Sexuality Education in the context of people with special needs.

## **Field trip to Ruppis Resort**

It was time for some fun and frolic. Chiranthana organised a field trip to Ruppis resort on 27-09-2023. It was an exhilarating experience for the students as it was an opportunity to bond with the peers and also enjoy. The students rode on the waves at the wave pool, danced to some fast music at the Rain dance event and also tried their hand at ziplining. It was a funfilled day and will be remembered for a long time.

# *Star of the month*

## *Congratulations*

Joel Bandila has been chosen unanimously as the star of the month. He shares a good rapport with his peers, and is a team worker and has leadership abilities. His behaviour has been good and he has also done well in his academics. Congratulations..
