GROWTH IS CONTINUOUS

What's new at Chiranthana?

Inauguration of Third centre at Tumkur

Chiranthana opened its third centre at Tumkur on 28/03/2024. Dr.Ashok- Consultant Pediatrics and Neonatologist, Madilu Childrens hospital was the Chief guest for the occasion . He applauded the efforts of Chiranthana at creating opportunities for children with special needs. The inauguration ceremony was well attended by Chiranthana staff and the parent community.

Chiranthana started its first centre at Bengaluru in the year 2019 with a School for holistic development and Vocational Skills , in the year 2020 we expanded our operations to make an impact in the rural areas of Gubbi and today more than 300 students are benefitting out of the school readiness program at Gubbi. This year through this third centre at Tumkur we intends to provide schooling program to special children.

We are now open for admissions in Tumkur.

Team Lunch @ Tawa Tandoor

Teams that eat together thrive together. It was a great opportunity to socialise and create an environment of trust and foster a sense of belonging among employees and volunteers who contribute to strengthen Chiranthana. The team members enjoyed the outing and were excited to play games like truth and dare and some impromptu singing sessions.
