#### *Teacher training session at Chiranthana*

At Chiranthana we believe, it is always important to understand, appreciate and learn from your team in the organisation. Our teachers from Gubbi and Tumkur, Srinivas, Shruthi and Bhumika were at the Headoffice of Chiranthana at Bengaluru for a training session.

It was an enriching experience for all the teachers as they shared their learnings and their expertise to ensure better learning experiences for students of Chiranthana in all centres and this session helped in aligning and harmonising the teaching methodologies and activities so that every student at Chiranthana gets quality education.
