GROWTH IS CONTINUOUS

Exciting news at Chiranthana

Inauguration of our new center at Hosahalli cluster in Gubbi Taluka on July 15. This centre is being run in association with Elements 14. Rachana Prasad – our Managing Trustee distributed wheelchairs for 20 needy children at Hosahalli Samudaya Bhavana.

On July 30 we started our operations at Cheluru – Grama Panchayati Granthalaya . It is an effort to serve and extend support to more children with special needs from the surrounding areas.

July 2 -Stem lab training

Chiranthana in association with Stemlabs organised a 3-day training session on experiential learning for students. Stemlabs training was all about exploring and learning concepts with build play and learn strategy. Pavana from Stemlabs conducted the workshop at Bengaluru centre.

July 27 – Menstrual Hygiene and social awareness workshop

Our teachers at Chiranthana , Shubha, Raksha , Arpitha and Geetha were at MN Technical Institute to conduct a workshop on Social awareness specially touching upon Menstrual Hygiene for adolescents and Good touch and bad touch for elementary students. This was a great opportunity to create awareness about the challenges adolescents face during menstruation.

Orders at VSC

This month we have executed many small and big orders. We have completed an order for conference kits for a Doctors conference at Christian Medical College , Vellore. It was well appreciated by the client. We also completed an order for Block printed folders for Abheek Academy. These orders for Aase products encourage our students with special needs so keep the orders coming

TV interview in Tumkur

Rachana Prasad – our Managing trustee was covered in Pragathi Tv. She spoke about the Chiranthana initiative at Cheluru and Hosahalli and how Chiranthana is helping reach more children with special needs and also spoke about the programs running at Chiranthana and how we are striving to extend the services to the remote villages.
