

NEWSLETTER JULY 2025

July 1st 2025 - "Celebrating Uniqueness Through the Magic of Cinema"

Our neurodiverse children had a joyful and memorable outing with a special screening of **Sitaare Zameen Par**. The film's heartfelt message — embracing differences, nurturing dreams, and seeing the world through a lens of empathy — deeply resonated with the children and echoed their own unique journeys.

July 2nd - "Rising Above: A Shining Success in NIOS!"

We're thrilled to celebrate Nandhan's success in the NIOS exam! His hard work and determination truly paid off. Congratulations, Nandhan — your achievement inspires us all!

11 July 2025 - "Celebrating Inclusion at the HR Summit Held at Yutori"

At the recent HR Summit hosted at Yutori, our neurodiverse children had a proud and joyful moment as they took to the stage to express their gratitude. With bright smiles and open hearts, they presented hand-block printed gifts — thoughtfully crafted products from **Chiranthana** — to the esteemed guests.

29 July- "Hands in Clay, Hearts in Art"

Our neurodiverse children recently immersed themselves in the tactile and joyful world of clay art. With their hands deep in soft clay, they shaped, rolled, and molded beautiful creations — each piece a unique reflection of their imagination and expression.

Clay modeling is more than just an art activity. It nurtures fine motor skills, builds concentration, and offers a calming, sensory-rich experience. Most importantly, it empowers our children to bring their ideas to life in a way that is deeply personal and fulfilling.

We're grateful for the wonderful support shown this July! Thank you for helping us continue our mission of empowering special needs adults through meaningful employment opportunities.
