

# NEWSLETTER JAN 2026

## January 14<sup>th</sup> – Sankranti Celebrations:

Chiranthana joyfully celebrated Sankranti with vibrant performances by our students. The celebrations included **dance, skits, and singing**, where our neurodiverse children confidently showcased their talents and creativity. The event was filled with festive spirit, joy, and togetherness, making it a truly memorable celebration for everyone present.

## January 22<sup>nd</sup> – STEM Learning Project – Gubbi Branch:

At our **Chiranthana Gubbi branch**, we are implementing a **STEM learning project** for rural neurodiverse students, made possible with the generous support of **AECOM**. The project introduces hands-on activities in science, technology, engineering, and mathematics, helping students learn through exploration and practical experiences.

## January 30<sup>th</sup> – IISc Hamper Delivery | Crafted with Purpose:

We were happy to deliver a thoughtfully curated hamper to IISc, featuring sustainable products handcrafted by our neurodiverse children at **Chiranthana**. The hamper included a customised calendar, diary, jute bag, scented candles, and a desktop organiser – each product reflecting creativity, skill, and inclusion.

**We're grateful for the wonderful support shown this January! Thank you for helping us continue our mission of empowering special needs adults through meaningful employment opportunities.**
